He orders that which

Welcome to Logan Reserve

Christ has given us no promise of help in bearing today the burdens of tomorrow. He has said, "My grace is sufficient for thee" (2 Corinthians 12:9); but, like the manna given in the wilderness, His grace is bestowed daily, for the day's need. Like the hosts of Israel in their pilgrim life, we may find morning by morning the bread of heaven for the day's supply.

One day alone is ours, and during this day we are to live for God. For this one day we are to place in the hand of Christ, in solemn service, all our purposes and plans, casting all our care upon Him, for He careth for us. "I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end." Jeremiah 29:11.

If you will seek the Lord and be converted every day; if you will of your own spiritual choice be free and joyous in God; if with gladsome consent of heart to His gracious Call you come wearing the yoke of Christ,—the yoke of obedience and service,—all your murmurings will be stilled, all your difficulties will be removed, all the perplexing problems that now confront you will be solved.

and in
confidence
shall be your

Health Tip- In 2008, The Journal of the American Dietetic Association published a study showing that people with early-stage Alzheimer's had consistently low Vitamin K intake. Most people haven't even heard of Vitamin K, let alone make efforts to ensure adequate amounts in their diet. But it's crucial for many bodily processes and, just as importantly, in your body's ability to properly absorb and utilize Vitamin D. Both Vitamin K and Vitamin D have been shown to lower inflammation... And as you probably know, inflammation is now considered the root of most chronic diseases. What you may not know is that inflammation has been directly linked to the development of Alzheimer's. Foods rich in Vit K are: Green leafy vegetables, such as kale, spinach, parsley and green leaf lettuce etc..

and Vegetables such as Brussels sprouts, broccoli, cauliflower and cabbage.

Congratulations

We wish the following people happy birthdays for the coming week; Gary Smith, Dot Kennedy, Charlotte Reise.
