The earth He sits enthroned;
All things are open to His
Divine survey;
And from His great and calm eternity
He orders that which

Welcome to Logan Reserve

*Be reconciled
to your
brother.*

Matthew 5:24

The love of God ... is a positive and active principle, a living spring, ever flowing to bless others. If the love of Christ dwells in us, we shall not only cherish no hatred toward our fellows, but we shall seek in every way to manifest love toward them.

Jesus said, "If you bring your gift to the altar, and there remember that your brother has something against you; leave your gift there before the altar, and go your way; first be reconciled to your brother, and then come and offer your gift."

The sacrificial offerings expressed faith that through Christ the offerer had become a partaker of the mercy and love of God. But for one to express faith in God's pardoning love, while he himself indulged an unloving spirit, would be a mere farce.

Church Camp- March 8-10. Come join us at Camp Somerset for a weekend of fellowship and relaxation amid nature. If you need assistance in any way (eg. Camping equipment) to make this possible, or for more info call Ellen on 0421 067 679. **THIS CHURCH WILL BE CLOSED MARCH 9.**

Sonshine Sanctuary Offering- Debbie says "Since I've been at Sonshine Sanctuary for the last 5 months, I have become myself again, which I haven't felt like for about 3 years while I painfully dragged myself & my 2 small children through a relationship where there was no trust, no respect and definitely no love. Instead I was physically abused and humiliated. Predictably I lost a lot of self-confidence and self-respect and really just felt worthless. I began to think nobody cared about

us. To be completely honest, if it wasn't for the Sonshine Sanctuary showing me love and how to feel valued again, I can honestly say that I don't know where I would be today to tell my story." Please be generous with your offering today, to allow the work of Sonshine Sanctuary to continue. For further information about Sonshine Sanctuary, visit www.sonshinesanctuary.com.

Teen Daniel Seminar- A Daniel Seminar is being held in May and June this year for our 10 to 15 year olds. If you are interested please contact Pr Neil.

Cans for Mission- We are collecting recyclable bottles and cans to raise money for our teen and youth to be able to go on mission trips for those who can't afford to go. If you could please save your recyclables (must have 10c stamp on label) and bring them in and deposit them at the black bins near the water tank, that would be appreciated. Spread the word to your friends and family! Also if you can't help with bottles and cans, donations are welcome too. We would love to see our youth involved in mission and we as a church will have opportunities for trips as the year progresses. Thank you, Claude & Eldjie

Fundraising Night & Sacred Concert- 30th March - Park Ridge Church is in the process of building a nurses' quarters for the Mt Diamond Adopt-a-Clinic. Our team will be travelling up there in July this year to complete this project. As well as the building, another team, at the same time, is

running the Week of Prayer for the students at the school. You are invited to come to Park Ridge church on this evening for closing Sabbath, buy some tea then enjoy the sacred concert which starts at 7 pm. Donations will be gratefully accepted. Our special artist for the Sacred Concert is Pr Grego Pillay, an Indian South African Adventist Pastor who is now working in the Nth NSW conference together with supporting artist Tyrone Adams plus some other supporting artists as well.

Health Tip: One SIMPLE way to greatly improve mental wellbeing – It's well documented that consuming just three to four servings of fruits and veggies can improve your physical health – particularly when eaten raw. However, a recent study released by the University of Leeds indicates that ingesting adequate fruits and vegetables can also significantly improve mental wellbeing. Because of their ability to boost the body's production of serotonin, which helps regulate appetite, sleep and mood. Exceptional mood elevating foods are leafy greens and veggies including collard greens, kale, romaine lettuce, cucumbers, and carrots. Mood elevating fruits include citrus fruits like oranges and grapefruit as well as bananas, kiwi, apples and fresh berries. Beyond the traditional diet, you can further promote emotional well being by sun exposure for vitamin D, antioxidants and omega-3 fatty acids that protect the neuronal functioning of the brain. – do everything you can to avoid eating processed foods and refined

sugars such as high fructose corn syrup. Because food is fuel for the body and mind, you can reap the benefits of consuming more fruits and veggies almost immediately. However, the greatest benefits will be experienced with regular ingestion, and the more you eat the better!
