Colossians 4:6

Everything that Christians do should be as transparent as the sunlight. Truth is of God; deception, in every one of its myriad forms, is of Satan; and whoever in any way departs from the straight line of truth is betraying himself into the power of the wicked one...

Through the apostle Paul, Christ bids us, "Let your speech be alway with grace." "Let no corrupt communication proceed out of your mouth, but that which is good to the use of edifying, that it may minister grace unto the hearers." Colossians 4:6; Ephesians 4:29. In the light of these scriptures the words of Christ upon the mount are seen to condemn jesting, trifling, and unchaste conversation. They require that our words should be not only truthful, but pure. ...In speech, as in life, they will be simple, straightforward, and true; for they are preparing for the fellowship of those holy ones in whose mouth "was found no guile." Revelation 14:5.

Concert with Golden Angels Singers- We welcome the Golden Angels today. There will be an extra offering collected during church today, which is to help the Golden Angels with their special project "Mission North Korea". They will also be holding a concert tonight , 6pm at Mt Gravatt Church, this will be a special program and refreshments will be provided.

Weekend Seminar "Life Ready Kids" April 26-28. In this series Chuck Hagele of *Project Patch* will present 'How to raise Kids Safely in a World of Technology'. Discover how to equip your child to resist pornography, video game addiction and the dark side of social media. Don't miss this family supportive series for parents and children over the age 11. Seminar

times will be Friday night, two sessions on Sabbath afternoon and Sunday afternoon. Collect a brochure and share with your friends!

New Code of Conduct- AdSafe has produced a new code of conduct for child safety and ALL position holders in our church need to read and sign it. Please go to elearning.adsafe.org.au and click on Code of Conduct. Your completed certificate needs to be given to Pr Neil.

Can You Help? The church Board is seeking a suitable person to fill the role of Work Place Health & Safety Advisor. If you are qualified in this area or willing to do some training please contact Greg or Pr Neil. We also need someone to oversee the Copyright requirements for our use of music, if you are willing to do this job please also see Greg or Pr Neil.

Plea to Parents- There has been some too rough play amongst some of our children; with sticks, pushing and throwing rocks. The Board is requesting parents to please instruct your children to keep their hands to themselves and do nothing which may hurt themselves, others or things. Two specific rules which we will endeavour to police are 'No Tree Climbing' and 'No Ball Sports on Sabbath mornings'. Please ensure your children do not bring balls to church on Sabbath mornings. Thank you.

Logan Reserve Charity Market- It's that time of year again!! **June 9th** from 8am - 2pm will be our annual Market Day and if you have a favourite charity that you would like to fund raise for, please starting planning for this day and for your stall! We also need many helps before and during the day, so please keep this in mind. For those who would like to have a stall or wish to get involved, please contact Claude (0402259610) or Eldjie (0404406474) or eldjie@gmail.com

Health Tip- Did you know that Sunshine/Vitamin D is one of the largest nutritional deficiencies in the world? Yes, approx. 90% of the world's population struggle from vitamin D deficiency today. Maybe for reasons

Please Pray- for the Lord's blessing and protection over the following members of our church family this week:

such as overuse of sunscreens, spending increased amount of time working in-doors, and kids are increasingly spending less time playing outside. Vitamin D deficiency reduces immune function, is harmful to health in any reduced levels and increases the risk of diseases including cancer and disorders such as osteoporosis.

How much time should I spend in the sun? Depending on the portion of body parts exposed, the colour of your skin and the strength of the UV rays, the duration of sunlight that you should allow your skin to receive is different. People should ideally seek to receive 10,000 to 20,000 IU of D3 from sun exposure assuming 60% of the body is exposed to the sun.

Intentionally sun bath at least 3 times per week according to the following recommendations based on your skin colour. (Light skin = 15-20 minutes daily, Medium Skin = 25-30 minutes daily, Dark Skin = 40-45 minutes daily)
